Payment Method

- Description
- ☐ Cash on Delivery
 - ☐ Credit Card
 - ☐ Net Banking
 - ☐ Unified Payments Interface
 - ☐ Wallet

Business Insights:

- UP generated the highest sales contributor.
- January recorded maximum order quantity.
- Mobile products contributed highest revenue.
- Wallet payments were used less compared to UPI and Cards.

Business Recommendations:

- Increase marketing in low-performing states.
- Focus inventory on high-selling products.
- Run offers during low-sales months.
- Promote digital payment methods
